Dear Convenors,

Hong Kong International Bowls Classic Carnival 2018

The Hong Kong International Bowls Classic started in 1981 for men and 2009 for women. With the dedicated effort from the organizers, the Hong Kong Classic had been recognized as one of the most prestige outdoor international events in the World Bowls annual calendar.

Over the years, there has been many overseas spectators and supporters came to the Classic but found not much to do apart from watching bowls, shopping and sightseeing.

Having borne this in mind and after talking to spectators and supporters both overseas and locally, the organizers had done studies in the availability of venues and attractions to visitors, the inaugural **Classic Carnival** was successfully launched in November 2015.

Dates of the 2018 Classic Carnival will be, tentatively, 7th - 13th November 2018. Venue at Kowloon Cricket Club and Kowloon Bowling Green Club on Cox's Road, Austin Road and Jordan Road on Kowloon Peninsula. Format of the Carnival will be Fours or Mixed Fours and participating teams will be drawn into groups for round-robin games. Depends on the number of entries, finalized details will be issued.

Overseas teams participating will have to make their own way to Kowloon and arrange their own accommodations.

Entry fee for the Carnival will be **HK\$8,000 per team** which includes meals during games, local transportation, carnival souvenirs, carnival dinner, prizes and probably, a night out in the evening horse-racing.

Teams participating shall wear identical team shirts and white trousers/skirts.

This is an invitation open to all bowlers. If you are interested, please complete and return the "Intent to Enter Form" to HKLBA office by email **on or before 22 June, 2018** and we will let you know when and how to pay.

Further information on the Carnival itineraries and local agents that can provide assistances to overseas players will be forwarded after receiving your entries.

Thank you for your attention.

Vincent Cheung
President
Hong Kong Lawn Bowls Association
