## Extending the Validity of Birthday Coupons

Dear Members,

The General Committee considers that due to the recent epidemic condition, most of our members may have reduced their visits to the club and affected their chance of using birthday coupons. Taking into account the interests of our members, at a recent meeting, the GC decided to set the validity of birthday coupons to a period of six (6) months, counting from the date of issuance.

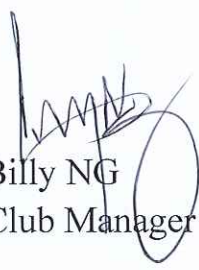

We do hope that this may bring a little convenience to members!

## 延長生日券的有效期

尊敬的會員：

執委會考慮到因疫情情況，令許多會員減少到會所，而影響到他們使用生日券。為會員設想，在最近的會議上，執委會決定將生日券由發出的月份起計有效期設定為六（6）個月。

我們祈望此舉可以帶給會員少許方便！
