

To: Lady Members, Lady Wives of Members

Dear Ladies,

At the recent Club AGM held in the Club House on the 28th March, 2018 concern was expressed by some Ladies about the proposed renovations to the Ladies Changing Room and Toilets. It seemed the thoughts expressed centred around the number and size of the lockers, changing areas and colour scheme. To deal with these concerns, please note the following:-

- 1) Number and size of lockers. Please refer to Nos. 1, 2, 3d, v, vi, vii under the heading Detailed Explanations. This should satisfy any fears that the ladies may have. **ALL NEW LOCKERS** whether banks of 4 or 5 will have **BIGGER LOCKERS THAN THE LARGEST ONES NOW.**
- 2) No. 3d. v) ensures that 106 lockers will cover the current 93 + 13 on the waiting list. (106)
- 3) There will be one dedicated changing room and three shower cubicles. In addition there will be four toilets, one of which will be much bigger to cope with the physically challenged, or ladies requiring a baby's changing table. This bigger enclosed area can be used as a normal changing room. Also each shower cubicle will have an enclosed changing/dressing area.
- 4) The fact that the colour prints on the notice board exhibited blue for boys and pink for girls was purely an example. If you wish to express an opinion, we have placed on the material sample board a range of colour options and a remarks sheet for ladies to make their preference known.

Detailed Explanations

- 1) The new lockers in the Ladies Changing Room will be in Banks of 4 (Four). Each Bank will have measurements Height 1800 mm, Width 380 mm Depth 450 mm. The calculation to take into account the Width of the surrounds is a reduction of 20 mm. Therefore the interior measurements of each locker will be Height 1800 mm – 80 mm (20mm x 4) = 1720 mm ÷ 4 = 430 mm. Width 380 mm – 20 mm = 360 mm. Depth 450 mm – 20 mm = 430 mm.
Interior of each locker = Height 430 mm, Width 360 mm, Depth 430 mm = 66,564 cu.cm.
- 2) Sizes of interior of the Ladies current lockers are as follows:-
Large = Height 410 mm, Width 260 mm, Depth 460 mm = 49,036 cu.cm
Small = Height 330 mm, Width 260 mm, Depth 460 mm = 39,468 cu.cm
- 3) As is evident from the above the proposed new 100 lockers will all be considerably bigger than the current largest ones in the Ladies Changing Room. Even after accommodating 106

lockers they will be bigger.

a. Active Membership 538 = 434 Men, 104 Ladies

Bowlers Men 78, Ladies 28 = 106

Lockers Men's upstairs 102

Downstairs 90

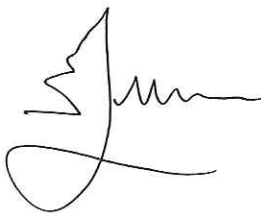

} 192 lockers 67.37%

Ladies 93 lockers = 32.63%

- b. So the Ladies have 32.63% of the available lockers but only have 26.41% of the bowlers
- c. For overall Membership the Ladies only represent 19.33% but have 32.63 of the lockers.
- d. i) The ladies have a much bigger share of the lockers
ii) By increasing their number from 93 to 106 they will have an even bigger share.
iii) Under the new design the ladies lockers will all be 17,528 cu.cm bigger than their present biggest ones and 27,096 cu.cm bigger than their smaller ones.
iv) It has been mentioned that our Lady Bowlers should have priority for the biggest lockers. We are looking at that situation for the best solution for all 106 occupants.
v) To make 106 lockers available, instead of 25 banks of 4, we need to have 19 banks of 4 = 76 lockers and 6 banks of 5 = 30 lockers. (76 + 30 = 106)
vi) Simple calculation for identification purposes. The 19 banks of 4 will have the same size lockers as above. The size of each locker in the 6 banks of 5 will be Height 340 mm, Width 360 mm, Depth 430 mm = 52,632 cu cm.

vii This is still bigger than the current largest one in the Ladies Changing Room.

- 4) This is an ongoing process and within reason we still have time to make amendments provided they do not increase the already contracted budget. So please feel free to make your suggestions.

John N. LUNN

Hon. Secretary

親愛的女士：

2018年3月28日在本會舉行的周年大會上，一些女士對女更衣室和洗手間的翻新表示關注。大致上是關於儲物櫃的大小和數量，翻新的區域和顏色配套。以下事項可消除各位的疑慮：-

- 1) 儲物櫃的數量和大小。請參閱標題“**詳細說明**”中的第1, 2, 3d, v, vi及vii。這些解答應該可以滿足各位女士及消除她們可能會有的疑慮。**所有新的儲物櫃都會大過現有的大儲物櫃。**
- 2) 3d, v) 新系統的106個儲物櫃，肯定足夠提供給現有的93位使用儲物櫃的女士及13位輪候的女士。(106)
- 3) 將有一個專用更衣室和三個淋浴間外，還有四個洗手間，其中一個大面積的洗手間，用以配合女士的特別需求，及一張方便給嬰兒更換護理用品的桌子。這個更大的密封閉空間可以作為普通更衣室。另外每個淋浴間都有一個獨立的更衣區。
- 4) 佈告板以藍色代表男士，粉紅色代表女士，純粹是樣本作用。如果你們想表達意見，我們在材料樣板上放置了一系列的顏色，請女士們在佈告板的表格上填寫她們選擇的顏色，我們會採納大部分人的意見。

詳細說明

- 1) 女更衣室的新儲物櫃。每個高度1800毫米、寬度380毫米、深度450毫米。考慮到每個儲物櫃的厚度是20毫米。因此，每個儲物櫃內部的計算應為：高度1800毫米-80毫米(20毫米x4)=1720毫米÷4=430毫米。寬度380毫米-20毫米=360毫米。深度450毫米-20毫米=430毫米。
每個儲物櫃的內部=高430毫米、寬360毫米、深430毫米=66,564立方釐米。
- 2) 舊儲物櫃的內部量度如下：-
大=高410毫米、寬260毫米、深460毫米=49,036立方厘米
小=高度330毫米、寬度260毫米、深度460毫米=39,468立方厘米
- 3) 從上面可以明顯看出，女士新儲物櫃，即使設置106個儲物櫃後仍然會比現時最大的儲物櫃大許多。
 - a. 本會活躍會員538 = 男會員434，女會員104
球員：男78，女28 = 106
上層男儲物櫃 102
下層 90
女儲物櫃 93 = 32.63%
} 192儲物櫃 67.37%
 - b. 所以女士有32.63%的可用儲物櫃，但只有26.41%的球員
 - c. 女士人數只是全體會員的19.33%，但擁有32.63%儲物櫃。

- d. i) 女士以大比數佔用儲物櫃。
- ii) 將儲物櫃的數量從 93 增加到 106，更增大了女士佔用儲物櫃的比例。
- iii) 在新設計下，女儲物櫃將會比現有的大儲物櫃加大了 17,528 立方厘米，比小儲物櫃加大了 27,096 立方厘米。
- iv) 有人提議，應優先將最大的儲物櫃留給我們的女球員。我們會考慮，但須顧及所有 106 名使用儲物櫃的女士，為所有人提供最佳的解決方案。
- v) 提供 106 個儲物櫃，而非 25 行 x 4 個(100 個)，我們會有 19 行 x 4 個 = 76 個儲物櫃的和 6 行 x 5 個 = 30 個儲藏櫃。 (76 + 30 = 106)
- vi) 簡單計算以便識別。4 個 x 19 行與上述相同尺寸的儲物櫃。6 行 x 5 個儲物櫃每個的尺寸將是：高度 340 毫米、寬度 360 毫米、深度 430 毫米 = 52,632 立方厘米。
- vii) 比現存的女更衣室最大的儲物櫃還要大。
- 4) 在現有的進程中，只要不違合約的預算，我們仍有時間作出修改，所以請隨便提供意見。

義務秘書長
龍約翰謹啓
